Anticipation for WSC Spotlight 2019

The 3rd WSC is planned for 2020.
Would you be interested in another WSC Spotlight, a smaller satellite congress shining a spotlight on one particular aspect of sepsis, in 2019?

- Yes, I would be interested in a WSC Spotlight in 2019.
- Yes, but not necessarily in 2019.
- No, you should stick to a big World Sepsis Congress every two years.
- No, you should host a big World Sepsis Congress every year.
- I don't care.
