

Approach to the National Sepsis Plan in Germany

Tobias Gothow – German Sepsis Foundation

Agenda

- Overview National Sepsis Plan
- Achievements so far
- Next steps

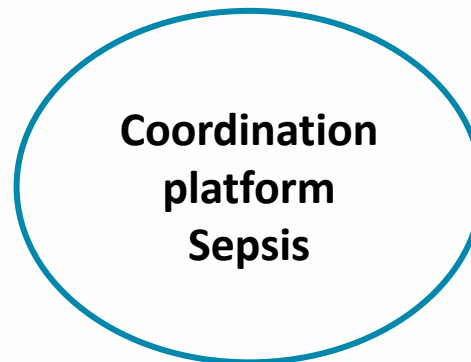

The National Sepsis Plan consists of four fields of action and a coordination platform

Field of action 1:
Strengthen awareness and
understanding of sepsis

Field of action 2:
Improving preventive
measures

Field of action 3:
Further development of
quality assurance

Field of action 4:
Improvement of diagnosis
and treatment measures

Achievements so far

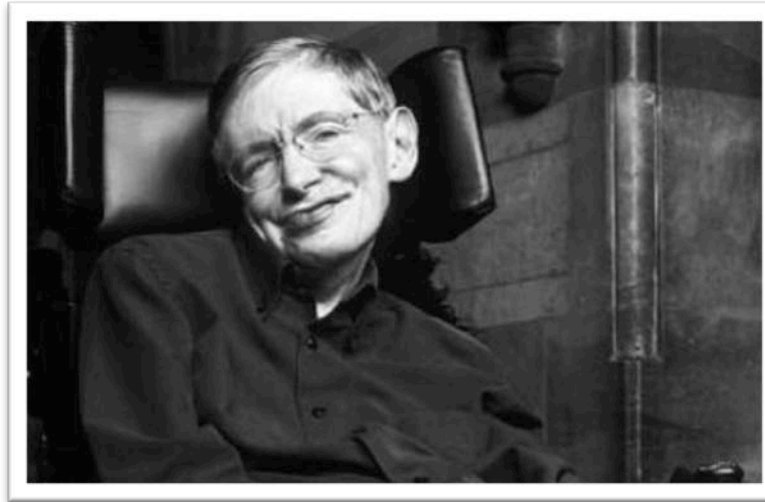

The call for a National Sepsis Plan is supported by more than 30 medical societies and organizations

Next steps – twofold approach

We need more political pressure to assure that the National Sepsis Plan will be implemented
